

Amendments to the Specification

Please add the following new paragraphs on Page 1, before line 5:

Related Applications

The present application is a Divisional of U.S. Application Serial No. 10/163,033 filed June 5, 2002, which is a Divisional of U.S. Application Serial No. 09/356,912 filed July 19, 1999. The entire disclosures of which are hereby incorporated by reference.

Please replace the paragraph on Page 15, starting at line 27 which starts with "As reported in" with the following amended paragraph:

As reported in Application Serial No. _____, No. 09/356,927, titled *Silane Treatment for Electrocoated Metals*, which names Wim J. van Ooij and Guru P. Sundararajan as inventors, and was filed on ~~even date herewith~~ July 19, 1999, and the disclosure of which is incorporated herein by way of reference, the hydrolyzed silane solutions of the present invention having both a bis-silyl aminosilane and a bis-silyl polysulfur silane also provide excellent adhesion to paints (particularly electrocoats) and other polymeric adhesives. As also reported therein, and as incorporated herein by way of reference, the hydrolyzed silane solutions of the present application also provide improved corrosion protection, as well as adhesion to other non-rubber polymers (such as paints and adhesives).
